Office of Community Development
COMMUNITY GARDEN
2011
Rules and Guidelines

City residents who were 2010 gardeners may register now.

Remaining plots will be available to the public (city residents only) on March 3, 2011.

The garden is open dawn until dusk, seven days a week.

Plots will be clearly marked with stakes. Please do not remove or move these stakes.

All gardeners should maintain the common areas.

Keep insects and weeds under control.

Using herbicides and black plastic mulches is **prohibited**.

If vandalism or theft occurs, notify Community Development immediately. Help us discourage losses by questioning unfamiliar faces.

Any/all pets must be on a leash.

Individual fencing of plots is allowed but please keep structures under 4 feet and neat.

Please do not leave your hose attached to the water vendor unless you want others to use it.

No debris of any kind should be left at the site.

If you can no longer tend to your plot, notify us. Do not abandon your plot – we usually have a waiting list.

Each gardener must clear and clean his or her plot at the end of the season.

Your compliance with our garden rules will help everyone have an enjoyable and prosperous garden.
