

Columbus Municipal Airport

The Columbus Municipal Airport Board of Aviation Commissioners (BOAC) respectfully requests approval for the use of Airport TIF dollars for the installation of sidewalks around the new medical office building being constructed on the northwest corner of Whitney Court and Central Avenue in the amount of \$27,198.00.

The installation of sidewalk is required per the Columbus Airport Planned Unit Development (PUD), and is the obligation of the Airport to install.

Thank you for your time and consideration,

Caleb Tennis

Re: Professional Office Building
Central & Whitney
Columbus, IN

Dear Brian,

Confirming my email from Friday, September 27, 2013, the breakout of the costs for the city sidewalks and walking path at the above referenced project is as follows:

| | |
|---|--------------------|
| Concrete Running Path (8'-0" width) | \$10,258.00 |
| Concrete City Walks (5'-0" and 6'-0" width) | <u>\$16,940.00</u> |
| Total for City Walks and Path | \$27,198.00 |

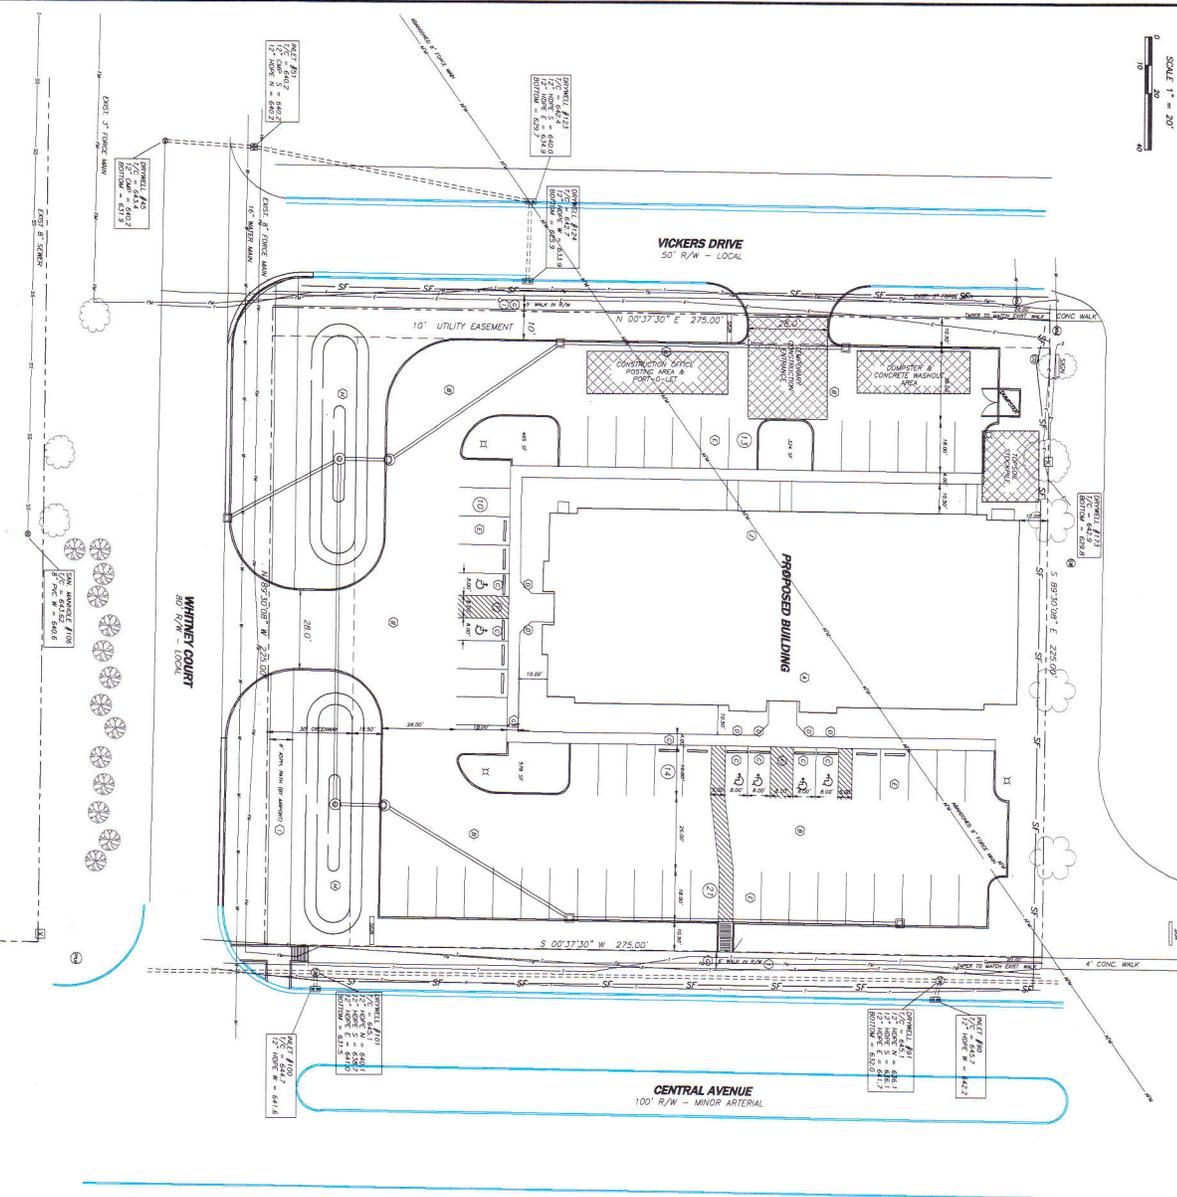

Please feel free to contact my office if you should have any further questions regarding this matter.

Respectfully,

Gerry Meyer
