#### **Attention Participants**

Course Fee: \$25 – This will cover your transportation to/from the track and lunch. **Please make checks payable to Columbus City Police Department.** Checks must be turned in with this application to confirm your reservation in the class.

The Adult Refresher Driving Program is instructed by certified police officers. Our program is designed to update experienced drivers on basic skills needed to assist them to minimize or avoid a potential accident. Drivers will receive practical driving experience in areas such as: Off Road Recovery / Emergency Braking / Weaving and Backing / High Speed Evasive Steering. Participation in this program comes with the potential risk of injury or death. Drivers must understand this risk and assume responsibility as a willing participant.

I, \_\_\_\_\_ (driver) wish to participate in the Adult Refresher Driving Program. I agree to fully comply with all instructions given by the instructors during this training. I am fully aware of the nature and details of this training. I agree to hold the City of Columbus, and its officers, agents, or employees, in both their private and public capacities, entirely free from any liability, including financial responsibility, for injuries incurred, regardless of circumstance.
