Be Part of the Progress!

The Columbus Park Foundation

Before the Columbus Park Foundation was formed individuals gave to enhance the Quality of Life in Columbus. Donors like William H. Donner whose contributions created our first park and public swimming pool and the Hamilton family who brought about the first Community Center & Ice Arena set the precedent for many other generous contributions to the beautiful green space and recreational features of our City.

In 1988 the Columbus Park Foundation was formalized as a separate, nonprofit entity to accept private contributions and pursue grant opportunities that would continue to grow our park amenities. For over two decades, an independent volunteer board of community citizens has led and managed contributions to accomplish a mission of encouraging quality of life and healthy lifestyles.

Your Foundation Dollars At Work...

- People Trail Expansion:** Our People Trail Network offering active transportation options to connect users to key destinations throughout the community.
- Race2play Initiative:** Improving our parks and playgrounds making them inviting and accessible for families to enjoy and get active in the great outdoors.
- Hamilton Community Center & Ice Arena:** The preservation and restoration of a unique architectural and recreational asset to our community.
- Chuck Wilt Scholarships:** Assuring children with financial barriers a safe and enriching parks and recreation experience through programs and activities.
- Annual Festival of Lights Christmas Village:** A community event offering local performances, vendors with handmade art.
- Park Foundation Tree Fund:** Preserving and growing our tree population for the betterment of our City.
- Sneakers At Starlight Event:** A fun and unique event hosted at the beautiful Mill Race round lake, offering local cuisine, fine wines and brews and the exciting dueling piano ensemble. All to benefit quality of life amenities.
- Adopt A Trail Project:** An opportunity for volunteers to enhance and maintain our people trail system.
- Tour de Trails:** An annual bicycle and run/walk event to benefit People Trails.

Thank You.

We thank the generous donors who have helped to accomplish the following community projects with over 3.5 million in private contributions that have continued to make our city a healthy, vibrant and growing community.

"Our parents/grandparents had the foresight to build this infrastructure... It's our obligation to take care of what they built..."
- Hutch Schumaker

"As a mother, I like for my children to be involved in activities they wouldn't be able to without the Chuck Wilt Scholarships."
- Bridget & Anni

"Parks like Donner, Lincoln and Mill Race beautify our city, but they're also a free resource for families to use. I certainly feel that we, as a community, need to take ownership in maintaining our parks and make sure they remain beautiful for our children..."
- Scott Andrews
