Types of Paths:

Multi-use paths
Multi-use paths are intended to provide uninterrupted or minimally interrupted routes for one or more users for a variety of purposes and users, such as cyclists, joggers and pedestrians.

Sidewalks
A sidewalk is an extra-wide sidewalk along one side of a street within the street right-of-way. Sidewalks are designed to carry both pedestrian and bicycle traffic. Sidewalks have an advantage over bicycle lanes by having a curb separating the vehicle and bicycle traffic.

Connectors
Connectors provide pedestrian access from cul-de-sac streets and other subdivision streets to nearby sidewalks, multi-use paths, and other bicycle and pedestrian facilities. They also provide access to key destinations, such as schools and parks.

Bicycle routes
Bicycle routes are streets that have been designated and marked with signage as bicycle routes. Local streets are particularly well suited for bicycle routes.

Bicycle lanes
Bicycle lanes are designated areas of the street which are reserved for the exclusive use of bicycles. They are typically established with pavement markings and signs along routes.

Crosswalks
Intersection and crossing measures that have been or are being used in Columbus include marked crosswalks, pedestrian crossing warning signs, crosswalks, flashing beacon signals, speed sensors, and countdown timers and pedestrian signals.

Sharrows
Shared lane markings or "Sharrows" are street markings placed on city streets to inform bicyclists and motorists where a travel lane is shared by both.

Trail heads
Trail heads are most appropriately located at places where people change modes of transportation - exiting their vehicles to begin a walk, jog or bicycle ride. Trail heads are placed at the beginning of People Trails and act as identification markers.

PARKS AND RECREATION ATHLETICS/TENNIS

Welcome to the 2012 tennis program. Our mission is to offer a tennis experience that will promote all participants to pursue the sport of a lifetime-TENNIS! Michael Burt, Director of Tennis, USPTA Certified
In 2012, the rules of tennis have officially changed for all tennis players 10 & under. Players will be using slower moving & lower bouncing balls, shorter & lighter rackets and play on smaller courts. This will make it easier for more kids to have success and thus help make tennis more fun from the start. Our staff will be trained and dedicated to implementing these changes.

Tennis Lesson Rain Policy: Players will be able to make up cancelled classes by attending alternative class sessions of the same level. Please call 812-369-7635 to verify that scheduled class is still running before attending.

Youth Group Tennis Lessons: All held at Burnett Tennis Courts (Donner Park). **BRING YOUR OWN RACKET.**
Class Descriptions: Participants should register for the class level that relates to their age. Instructors will sub-divide classes by ability. (6 players/1 instructor)

COLUMBUS PARK FOUNDATION

What's Your Passion?

People Trails

The Park Foundation works hand-in-hand with Columbus Parks & Recreation to create a community of private donors who want to give to benefit parks and recreation in four areas: People Trails, Parks and Green Spaces, the Chuck Wilt Scholarship Program and our Endowment.

By sharing what is needed to make Parks and Recreation thrive in these areas, we hope to connect you with your passion toward giving back to your community. When you consider the many benefits our parks and park programs provide children and adults in our community, I hope you too will consider the question... **What is Your passion?**

If you don't yet know your passion, I have shared, under each area, what is made possible through the Columbus Park Foundation and Columbus Parks & Recreation Department. Lives are enriched because of people trails, parks, athletics, aquatics, playgrounds and much more... If you would like to learn more, I would love to sit down with you and share the stories that take place here at Parks and Recreation...

Thank you for considering a gift to The Columbus Park Foundation.

Sincerely,

April Williams
Project & Resource Development Director

21 miles of People Trail enjoyed by runners, bikers, walkers, those with special needs, commuters and more. The People Trail allows our community to participate in healthy activities as well as offer an alternative means of transportation for many.

Parks and Green Spaces

23 Parks and Green Spaces, provide a place for families and individuals to enjoy the great outdoors, create memories, be active and much more. 15 playgrounds allow children to participate in fun activities, stay physical, and simply - play with other children. Facilities such as Donner Center, Hamilton Center Ice Arena, the Commons and the Mill Race Amphitheater offer a place for events and programs that make our community a fun and unique place to live.

Our Endowment

The endowment offers an opportunity for generous donors to give the "seed dollars" to grow the legacy of Columbus Parks and Recreation programs and services for future years to come and future generations to enjoy.

Chuck Wilt Scholarship Program

Scholarships provide every child the opportunity to pursue their dream of learning, being active, and gaining confidence through Columbus Parks & Recreation activities.

Be part of the future of Parks & Recreation in Columbus by contributing to the area of YOUR passion! Donate your time and treasure online at <http://www.columbusparksandrec.com>, by phone at (812) 376-2680 or in-person at Donner Center.

MILLER-TANGEMAN LOBBY

FEATURING CHAOS I

Chaos I is a 7-ton, kinetic sculpture by Swiss artist Jean Tinguely (1925-1991). **The 30-foot high piece is the largest work by Tinguely in the United States.** It seems fitting that the centerpiece of Columbus, Indiana, a city known for both its great architectural designs and its world-class manufacturing operations, would be a sculpture that successfully marries art and engineering.

Chaos I cycles through a series of motions to simulate a day in a life, beginning slowly at first, adding movements and then winding down again. At the peak of its chaotic movements, steel balls roll and crash through a caged track, making a ruckus.

The Miller-Tangeman lobby is available for private rental. Call (812) 376-2681 for more information.

JAMES A. HENDERSON INDOOR PLAYGROUND

The James A. Henderson playground features 7,000 square feet of indoor play space for children ages 6 months through 12 years. This playground is FREE and open to the public 364 days a year (closed Christmas Day).

Playground Hours:

Monday-Thursday 7:00a-9:00p
Friday & Saturday 7:00a-10:00p
Sunday 10:00a-8:00p

The playground is NOT available for private rental, but birthday parties may be accommodated via the adjacent Miller-Tangeman lobby. Call (812) 376-2681 for more information about rental opportunities for your next event.

RENTAL OPPORTUNITIES

Commons features four areas that are available to rent. You may rent an individual area or combine areas for larger events.
