FOR A PUBLIC PRESENTATION REGARDING

proposed bicycle and pedestrian improvements

**AT MAJOR INTERSECTIONS IN THE NEIGHBORHOODS NEAR NOBLITT, DONNER,
AND LINCOLN PARKS**

Reach Healthy Communities and the City of Columbus are hosting a second public input event regarding their effort to make biking and walking in the Columbus central neighborhoods safer and easier. Based upon the input received at the first input event, this public presentation includes final draft recommendations for improvements to the following intersections:

- 17th Street / Washington Street
- 16th Street / Washington Street
- 17th Street / Central Avenue
- 19th Street / Central Avenue
- 22nd Street / Central Avenue
- 25th Street / Central Avenue
- 17th Street / Hawcreek Avenue
- 19th Street / Hawcreek Avenue

TUESDAY FEBRUARY 9 | 6:00 PM | DONNER CENTER

739 22ND STREET, COLUMBUS, IN PRESENTATION WITH Q&A TO FOLLOW
