

## Title VI Training Workshop

**When:** Tuesday, September 13, 2016, 9:30 a.m. to 3:00 p.m. (EDT)

**Where:** Cal Brand Meeting Hall  
Columbus City Hall  
123 Washington Street  
Columbus, IN 47201

The Columbus Area Metropolitan Planning Organization (CAMPO) and the Bloomington/Monroe County Metropolitan Planning Organization (BMCMPPO) invite you to participate in a Title VI Training Workshop, led by the Federal Highway Administration (FHWA).

As recipients of federal aid, you are required to comply with Title VI of the Civil Rights Act of 1964 (Title VI) and take steps to ensure that your programs do not discriminate against anyone on the basis of race, color, national origin, gender, age, income, or disability. As subrecipients of federal aid through the Indiana Department of Transportation (INDOT), you must provide assurances that your programs do not discriminate, that you evaluate your programs for impacts, and that you take corrective actions where needed to overcome discrimination where it exists. Failing to comply with these requirements may jeopardize federal funding.

In order to help ensure that INDOT's subrecipients have the knowledge and tools to succeed in developing a Title VI Plan, FHWA, INDOT and your metropolitan planning organizations are conducting training workshops in the State of Indiana. On Tuesday, September 13, 2016, an FHWA-led workshop will be held at Columbus City Hall in Columbus. While the workshop will use highway examples, it is important to note that as a recipient of any federal funds, you are required to have a Title VI Plan that addresses all your programs, not just those funded with highway dollars. This FHWA-led training is similar to the training that INDOT has been conducting in its districts this year, but has some additional content.

The purpose of the workshop is:

- to give you a better understanding of the requirements and responsibilities of Title VI,
- to provide resources for developing a Title VI Plan,
- to help you put the required components in place to ensure that discrimination does not take place, and
- to assist you in developing procedures for notifying INDOT of your efforts, evaluating your program, and taking corrective actions as needed.

The workshop will start at 9:30 a.m. and will be completed by 3:00 p.m. Parking is available behind City Hall and in the public lot to the south. Lunch is on your own, and a guide to restaurants in downtown Columbus is included in this mailing.

All Title VI coordinators, program managers or other appropriate city and county staff are encouraged to attend. **Please RSVP by Thursday, September 8** to Laura Thayer, CAMPO, or Josh Desmond, BMCMPPO. Feel free to call either of us if you have any questions about the workshop.
