

1. Bridle Way subdivision & Hunters Run (pothole)
2. Too much traffic going into town. I don't drive. (live near fairgrounds)
3. Corner of Orchard Valley Dr & Clairmont (Northbrook) stop sign at Orchard Valley - Can't see when looking left due to rose of Sharon bushes planted by street. Also fencing.
4. Really impressed w/transportation in Columbus - the trails, the buses, etc.
5. Bike lanes on 17th St. seem unsafe - where cars have to cross them.
6. Potholes in front of American Legion on 25th St. need fixed.
7. There is too much time between buses on the routes.
8. The county needs a bike plan and those routes should not be chip & seal - terrible for cyclists.
9. Additional connection of People Trails to keep cyclists safe & off streets/roads
10. Concern about bike lanes on 17th St. and the way cars cross them to turn.
11. The road by the Azalia elevators is bumpy!
12. Need 4 way stop on Johnson Blvd and Merchants Mile
13. Need bus service to Johnson County / Greenwood
14. More benches near bus stops
15. We have a paved alley - was wondering about getting speed bump in due to people in cars speeding both ways. Then we have a 1/2 alley into the main alley - people & kids almost hit. The people don't even live around our area.
16. At the intersection of 25th and Lockerbie Dr., there are on average 3 incidents of commuters who run red lights.
17. Come into Northbrook - Cessna goes all the way thru addition (sidewalks)
18. 17th Street around hospital - dangerous stretch, many accidents.
19. Bikes (bikeshare) don't go every. (Griffa by Burger King) Times aren't good. 30 min only then penalty (can't take it to work)
20. Illinois St. - school buses come through - potholes
21. Bike path behind Clarion Hotel gets flooded easily and hard to access during flooding.
22. More sidewalks since work re-laid.
23. More walking trails in northeast Columbus
24. Sidewalks in newer end of Northbrook on Clairmont Drive. The sidewalk doesn't connect.
25. Thanks for mowing and Kroger parking lot is terrible.
26. Public transportation out of city limits.
27. Hard to get to DQ on the bus. (time)
28. There should be a way to get to Elizabethtown.
29. Longer bus service to factories so people can work more shifts as needed.
30. I would like to see bus service to more factory locations so our people who want to work can get to a good paying job.
31. Please fix Kroger parking. I think you're doing really well - Thanks 31-Southern Xing.
32. More sidewalks.
33. County transportation is desperately needed.
34. Need more and better sidewalks in the areas between 25th St. and 3rd St. & 31-Washington St.
35. More pedestrian signals at stop lights (25th/Taylor & Flintwood/25th). More sidewalks.
36. Woodside/Walesboro bus service
37. A roundabout is a major issue for truck drivers such as me. The US 31 roundabout will cause many more issues than a light.
38. Expand to Taylorsville / Edinburgh Outlet Mall
39. There should be a left signal at 46 & Pine Ridge Dr.
40. Traffic speed on River Road @Flatrock Park
41. Crossing across 25th & Central could use crosswalk, signals, etc.

42. Need sidewalk to stand on Gladstone for bus stop instead of in the grass
43. More sidewalks
44. Road repair on 16th between Lafayette & Franklin
45. Speed limit on Goeller by Horizon West addition is fast for 3 'new' housing entrances in past 5 years.
46. Some dangerous intersections in the downtown area.
47. Put sidewalks in Crump Estates.
48. Curb replacement on Woodcrest Ct. - Columbus
49. Expanding transit to McCullough's Run to offer transportation to homeowners.
50. Need new buses - they jerk, motor issues. I have been on a disabled bus in the past.
51. Route to the Edinburgh Mall could connect with Access Johnson County & get folks to Indy.
52. Wish bus routes would run longer hours
53. Bike trail to Country Wood Farms and the factories
54. Many people walk along SR 11 thru Garden City. It's really unsafe. A bus stop in that area would be great!
55. Curbs non-existent on 15th/Sycamore
56. More bus routes out west and in county. Everyone loves buses, just need more.
57. The bike lane crosses in front of cars without stopping. The train gets in the way and makes us late to school.
58. More Columbikes on north side of town.
59. I think that a route out to the factory site (Walesboro), Enkei, etc. would be beneficial for the city and employers.
60. Transportation for Vets/people to go to Taylorsville - for pick up by V.A. Hospital in Atterbury/Edinburgh. Maybe at Outlet Mall while serving regular bus riders/shoppers.
61. Get the word out more about Call-a-Bus, many people don't know we have this service. Would be nice to go to the Outlet Mall, so people could get on up North and maybe able to get with Johnson Co. to go on up North to Doctors.
62. More bike lanes thru town
63. Suggested scenic routes for biking available @ bike stations
64. Please make Westenedge safer & more bike lanes.
65. Can routes go out to places like Hope, Edinburgh, Clifford, etc.?
66. Add people trail to east side of town.
67. Crosswalk going from Windsor Place [subdivision] across Marr to People Trail (either Kensington or Brent Cross). Wheel chair bound needs way to get on trail, people waiting for bus need safe place to stand (out of bad weather), and easy access to people trail. Sidewalk or bike trail from Brent Cross to 25th Street on Marr Rd. to create safe way to walk/ride.
68. Please add a shoulder on the bridge at 200 South.
69. Bus service to Watersedge and Taylorsville area.
70. More sidewalks! Please fix Noblitt trail (for biking). Encourage helmets - hardly anyone wears them anymore.
71. Bike lane on bridge on 200 E over I-65. [He may mean 200 S.]
72. New sidewalks on N. Ross St.
73. Street lights in neighborhoods.
74. Sidewalks are needed for Lowell Addition. Too many speeders with lots of playing kids.
75. Make Washington a better entrance to downtown with sidewalks.
76. Connect Owens Bend park with Hope.
77. Roundabout @ Rocky Ford & Marr Rd.

78. No sidewalk between Catalina & Terrace Lake Community Church, corner of 200 S & Terrace Lake.
79. Countywide bus service would benefit community individuals who cannot drive
80. More buses to 46 W.
81. The bus system is not working for some people. Many can't get jobs at Walesboro because there's no way to get there. They are working at fast food restaurants on bus routes and even then it takes too long to go back and forth.
82. More roundabouts!
83. Sidewalks need to be evened out by Two Worlds (tripping hazard).
84. 25th St from Washington to Central needs widened (driving lanes too narrow). Need sidewalks from Washington/31 to 16th street to connect.
85. Need a turn light at Beam Rd and US 31
86. Why does it take so long to get everywhere? We need more signage!
87. Make sure they go into Krogers so people don't have to cross Central Ave (bus route).
88. More sidewalks around East Columbus
89. For the bikeshare, are credit cards accepted? I do think it's a great fuel-saving transportation option
90. Stop sign by the airport for the people trail is confusing for drivers.
91. We need more sidewalks by 25th and Taylor
