

## Red Loop - Taylorsville

-  Dashed red line represents deviated portion of the loop. Pickups from stops on the deviated portion must be scheduled ahead.
-  Solid blue line represents route before A / B split. These stops will be serviced every hour.
-  Dashed blue line represents blue routes after A / B split. These portions will be serviced every other hour, with A on the even hours, and B on the odd hours.

## Red Loop - Walesboro
