APPLICATION FOR ACCESSIBLE PARKING SPACE

- ➤ This application, if approved, is valid until the end of June each year.
- A renewal application will be sent to you each June and must be returned to renew the accessible parking space.
- ➤ If not renewed, the sign marking the parking space will be removed (except for extenuating circumstances) and the signs will not be replaced for at least one year.
- ➤ An accessible parking space with this permit does not override any existing parking restrictions.
- ➤ If your application is approved, there will be no more than one accessible parking space allowed per address.
- ➤ Your placard or plate must be displayed at all times while the vehicle is parked within a signed accessible space.
- Any vehicle with proper accessible parking credentials may park in any marked accessible parking space.
- ➤ Enforcement will be initiated upon report of violation to the Police Department.
