

Sources of Data:
1. Dam Inundations taken from IDNR library of Dam Inundation Mapping, based on very approximate calculations for a worst case scenario dam failure.
2. 2016 IndianaMap Orthophotography
3. US Census Bureau TIGER files, 2018-2019

- Areas where Inundation Area ties into Flood Insurance Study
- Dams with Delineated Dam Breach Inundation Areas
- City of Columbus Planning Jurisdiction
- Terrace Lake Inundation Area
- Grandview Inundation Area
- Tipton North Inundation Area
- Tipton East Inundation Area
- Tipton Lake West Inundation Area
- Harrison North Lake Inundation Area
- Harrison South Lake Inundation Area

Approximate Areas Inundated by Worst Case Scenario Dam Failures
