**ARTICLE 1.**  
**AUTHORITY, DUTIES**

**Section 1. Authority**

The City of Columbus Plan Commission and the Bartholomew County Plan Commission (hereinafter called "Commission") exist as advisory plan commissions under authority of Indiana Code 36-7-4-202, Section 2.34.040 of the City of Columbus Municipal Code, by County Ordinance No. 1, 1957, and any amendments thereto. These rules are adopted in accordance with the requirements of IC 36-7-4-401.

**Section 2. Duties**

The duties of the Commission shall be those set forth in IC 36-7-4-400, *et. seq.* - COMMISSION DUTIES AND POWERS (the "400 Series"), and such other responsibilities as may be assigned to it by the Common Council of the City of Columbus or the Bartholomew County Board of Commissioners (hereinafter called "Legislative Body").

**Section 3. Seal**

The seal of the City of Columbus shall be the seal of the Columbus Plan Commission, with an inscription that reads "City of Columbus Plan Commission."

The seal of the Bartholomew County Plan Commission shall read "Bartholomew County Plan Commission – OFFICIAL SEAL".

**Section 4. Membership**

The Columbus Plan Commission shall consist of eleven (11) voting members, appointed in accordance with IC 36-7-4-207 and IC 36-7-4-214. In addition, there shall be one liaison member appointed by the Bartholomew County Plan Commission, with said liaison member having all rights of participation in the deliberations of the Commission except the right to vote or hold office.

The Bartholomew County Plan Commission shall consist of nine (9) voting members in accordance with IC 36-7-4-208 and IC 36-7-4-214. In addition, there shall be one liaison member appointed by the Columbus City Plan Commission, with said liaison member having all rights of participation in the deliberations of the Commission except the right to vote or hold office. Other liaisons may be appointed from other communities within Bartholomew County, with said liaison members also having all rights of participation in the deliberations of the Commission except the right to vote or hold office.

Recognizing that the commission is charged with certain duties and responsibilities to the public and that the full discharge of those responsibilities requires participation in the discussion and voting on the matters before the commission, it is the Commission's policy that regular attendance is expected. In the event that a member is absent for more than three (3) regular meetings in any 12-month period, the Commission president shall notify the appointing authority of such absences and ask the appointing authority to review the appointment.

**Section 5. Meetings**

All meetings of the Commission shall be conducted in accordance with IC 5-14-1.5, the Indiana Open Door Law, and any amendments thereto. On-site inspections by individual Commission members, of property involved in petitions before the Commission, shall not be considered meetings.

- A. Regular Meetings – A schedule of all regular meetings for each calendar year shall be approved by the Commission. The calendar shall indicate the time and place of the meetings and may be amended during the course of the year as necessary.

- B. Special Meetings – In accordance with the provisions of IC 36-7-4-307, special meetings of the Commission may be called at any time by the president or by two members upon written request to the Commission's staff. The staff shall notify Commission members of such special meeting at least three days in advance of such meeting. Written notice of a special meeting shall not be required if the time and place of the special meeting has been fixed in a regular meeting of the Commission, provided that all members of the Commission are present at that regular meeting,
- C. Cancellation –
  - 1. Whenever there is a lack of business for Commission consideration, the staff may cancel a regular meeting. In such cases, the staff of the Commission shall give notice to all members.
  - 2. Whenever a quorum is not available for a regular or special meeting, the president of the Commission may cancel such meeting, and all business scheduled for such meeting will be automatically continued to the next regular or special meeting. In such cases, the staff of the Commission shall give notice to the Commission members, those having business before the Commission, and to the news media.
  - 3. The president of the Commission also may cancel a scheduled regular or special meeting in the event of natural disaster, snow emergency or similar causes. In such cases, the staff of the Commission shall give notice to the Commission members, those having business before the Commission, and to the news media. In the event of cancellation for any reason, re-notification shall be provided to Interested Parties.

The planning director shall also be appointed by the Bartholomew County Board of Commissioners, with the concurrence of the Bartholomew County Plan Commission. The planning director shall be primarily accountable and responsible to the Commissions.

- B. Duties – The City of Columbus/Bartholomew County Planning Department shall serve as staff to the Commission, and the planning director shall be the designated executive of the staff. All Commission requests for information or technical advice shall be made to the director who will be responsible for assigning staff members to gather such information or provide such advice and for conveying such information or advice to the Commission. The director shall be responsible for the administration of the Commission's office, the employment and compensation of employees, and administration of any funds allocated to the Commission. The director shall be delegated authority to perform ministerial acts in all cases except where final action of the Commission is necessary. ### **ARTICLE 3.** **CONDUCT OF MEETINGS**

#### **Section 1. Quorum**

Pursuant to IC 36-7-4-301, six (6) voting members of the Columbus Plan Commission shall constitute a quorum. Five (5) voting members of the Bartholomew County Plan Commission shall constitute a quorum. No business may be transacted and no public hearing may be opened at any meeting of the Commission unless a quorum is present.

#### **Section 2. Electronic Participation by Members**

Participation by members at meetings by electronic means, rather than in-person, is permitted consistent with IC 5-14-1.5-3.5 as detailed below. All associated provisions of Indiana Code, including definitions, shall apply. If any provision of this Section is in conflict with another provision of these Rules, in the event of any member participating by electronic means, these provisions shall control.

- A. Requirements - Subject to subsections B and D below, any member may participate in a meeting by any electronic means of communication that allows all participating members to simultaneously communicate with each other; and, other than a meeting that is an executive session, allows the public to simultaneously attend and observe the meeting.
  - 1. A member who participates by an electronic means of communication shall be considered present for purposes of establishing a quorum, and may participate in final action only if the member can be seen and heard.
  - 2. All votes taken during a meeting at which at least one (1) member participates by an electronic means of communication must be taken by roll call vote.
- B. Number and Frequency - At least fifty percent (50%) of the members must be physically present at a meeting at which any member will participate by means of electronic communication. Not more than fifty percent (50%) of the members may participate by an electronic means of communication at that same meeting.
  - 1. A member may not attend more than fifty percent (50%) of the meetings in a calendar year by an electronic means of communication, unless the member's electronic participation is due to:

- a. military service;
    - b. illness or other medical condition;
    - c. death of a relative; or
    - e. an emergency involving actual or threatened injury to persons or property.
  2. A member may attend two (2) consecutive meetings (a set of meetings) by electronic communication. A member must attend in person at least one (1) meeting between sets of meetings that the member attends by electronic communication, unless the member's absence is due to:
    - a. military service;
    - b. illness or other medical condition;
    - c. death of a relative; or
    - e. an emergency involving actual or threatened injury to persons or property.
- C. Minutes - The minutes of a meeting at which any member participates by electronic means of communication must:
1. identify each member who:

    - b. participated in the meeting by electronic means of communication; and
    - c. was absent; and
  2. identify the electronic means of communication by which:
    - a. members participated in the meeting; and
    - b. members of the public attended and observed the meeting, if it was not an executive session.
- D. Fee Schedule - No member may participate by means of electronic communication in a meeting at which the Commission may take final action to impose or increase any fee.
- E. Declared Emergency - If an emergency is declared by the governor under IC 10-14-3-12 or the mayor or county commissioners (as applicable) under IC 10-14-3-29, members are not required to be physically present for a meeting until the emergency is terminated.
1. Members may participate in a meeting by any means of communication provided that:
    - a. At least a quorum of the members participate in the meeting by means of electronic communication or in person.
    - b. The public may simultaneously attend and observe the meeting unless it is an executive session.
  2. The minutes of the meeting must comply with subsection C above.
  3. All votes taken during a meeting at which at least one member participates by an electronic means of communication must be taken by roll call vote.
- F. Staff Notification - Members desiring electronic attendance should notify the Commission Staff as soon as possible prior to a scheduled meeting so arrangements for technology may be made.

### **Section 3. Electronic Participation by Applicants and the Public**

- A. Participation by Applicants - All applicants, including their hired design professionals, attorneys, etc., should participate in-person to the extent possible. Applicants wishing to participate electronically should make that request to the Commission Staff at least one (1) week prior to the meeting at which their request is scheduled to be considered. The Commission Staff should seek the President's consent for electronic participation by applicants. Applicants who participate electronically should be seen and heard by other participants.
- B. Participation by the Public - Electronic participation by the public shall be permitted, at a minimum, at all meetings where any member and/or applicant is participating electronically. Electronic participation by the public may be limited, with the Commission staff in control of their audio and/or video capabilities, so

as to prevent disruptions or inappropriate behavior during meetings. Members of the public participating electronically shall, at a minimum, be permitted the ability to, during public hearings, make comment verbally or through written means, with any written comments read into the record during the public hearing.

1. All members of the public participating electronically shall be provided with equal access to the meeting and ability to be seen and heard. Any special accommodations or access, such as the ability to be seen or share presentation materials electronically, made available to any one member of the public shall also be made available to all others participating in the same meeting.
2. During public hearings, members of the public participating electrically should be called upon to speak after those attending the meeting in-person.

#### **Section 4. Ex-Parte Communication**

All presentation of information on a petition pending before the Commission should take place in an open, public meeting, not in private, unofficially, or with any Interested Parties, as defined in Article 7, Section 3A of these rules. While it is recognized that it is not possible to eliminate all such communication, Commission members are discouraged from initiating *ex parte* communication. When such communication occurs unavoidably, Commission members are expected to invite the parties to share their information with the Commission. If the parties choose not to share their information with the Commission and the member considers the information to be relevant, the member will disclose the communication and make the information received part of the public record. This section does not apply to activities of the Commission which are not quasi-judicial in nature, such as development of a comprehensive plan or ordinance text amendments.

#### **Section 5. Voting**

- A. Majority – In accordance with IC 36-7-4-302, no action of the Commission is official unless it is authorized at a regular or special meeting by a majority of the entire membership of the Commission.
- B. Method – All votes of the Commission on matters requiring a public hearing, other than those on the consent agenda, shall be by ballot, with the form of the ballot to be approved by the Commission. Each ballot must bear the signature of the member voting by such ballot. Secret ballot votes shall not be permitted. Items of business not requiring a public hearing and all items on the consent agenda may be decided by voice vote. If the outcome of a particular vote is unclear, the president or any member may request a roll call vote.
- C. Conflict of Interest -
  1. In accordance with IC 36-7-4-223, a Commission member may not participate in a hearing or decision concerning a matter in which he/she has a direct or indirect financial interest. For the purposes of these rules, a direct or indirect financial interest shall mean any economic interest.
  2. A member may not participate if he/she is an interested party entitled to notice under Article 7, Section 3B, of these rules or has a disqualifying non-economic conflict of interest. A disqualifying non-economic conflict of interest is any interest in the property or relationship with the parties involved in the matter which would prevent the member from participating in the hearing or decision in a fair and impartial manner.
  3. A member shall declare his/her potential conflict of interest, whether or not economic in nature. Such member may disqualify himself/herself or may be disqualified by a majority vote of the remaining Commissioners.
  4. A member who determines that he/she has or is determined by the Commission to have a conflict of interest shall remove himself/herself from the Commission proceedings and leave the chamber during the deliberation of the subject of such conflict. Such abstention shall not be considered a negative vote.
  5. Nothing in this section shall prevent a member of the Commission from presenting a petition on his/her own behalf, but members shall not appear before the Commission on behalf of others.

6. Questions as to whether such conflict exists may be determined by the Commission's attorney.
- D. Required – Except as provided in subsection "C" of these rules above, all Commission members present shall vote on each matter for which a public hearing is held. An abstention for any other reason shall have the same effect as a negative vote.
- E. Absentee – Absentee or proxy voting shall not be permitted. Members must be present for the public hearing and ballot in order to be eligible to vote on any matter. In the event that a member is absent for part of a public hearing, such member's eligibility to vote on the matter shall be at the discretion of the presiding officer. A member is eligible to vote on a continued matter from a prior meeting from which they were absent provided that the member listens to the tape recording or reads a transcript of the proceedings before the vote is taken.

#### **Section 6. Consent Agenda**

Routine or non-controversial items may be decided by consent. The Commission president shall read the titles of the items on the consent agenda. Any member of the Commission or any member of the audience may request that an item be removed from the consent agenda and placed on the regular agenda. In that event, the Commission president shall then determine the appropriate place on the agenda for the item, and it will be considered by the Commission as a regular item of business. For items decided by consent, the staff report and recommendation shall serve as the Commission findings and decision.

#### **Section 7. Order of Business**

The order of business for regular meetings of the Commission shall be as listed below, except that the president of the Commission, after consultation with the staff and/or other members of the Commission, may alter the order of business for regular meetings if such alteration is construed to promote efficiency and convenience for the Commission, petitioners, and the public.

Additional public comment shall not be permitted after the close of the public hearing. Any motion which has been made and seconded is open for discussion by the Commission members, but such motion is closed to discussion by the public unless the presiding officer specifically allows such discussion. Commission members may ask questions of the petitioner and/or of members of the audience during this discussion period. The presiding officer shall have the authority to limit discussion by the public or the Commission members.
- D. Method of Voting – Each motion on a matter requiring a public hearing, other than those decided as part of the consent agenda, shall be by ballot of the members, in accordance with the provisions of Article 3, Section 3, of these rules. Each ballot shall bear the docket number of the petition. At the conclusion of the vote, the secretary shall report the vote and it shall be so recorded. The vote of each member shall become a part of the record on the petition, and the secretary shall identify the members casting minority ballots. The vote of each member shall be disclosed by any Commission officer or the staff to anyone requesting such information. For matters that require consideration of specific modifications or waivers prior to a vote on the petition, such interim votes may be voice votes.

## **Section 2. Conduct**

- A. Representation – The petitioner may appear in person, by agent or attorney, and present any supporting witnesses, evidence, statements and arguments in favor of the request. Failure of the petitioner to appear may result in dismissal of the petition pursuant to Article 5, Section 2 of these rules. Remonstrators and persons in favor of the request may appear in person, by agent or by attorney and present witnesses, evidence, statements and arguments. Any person interested in any petition shall have the right but shall not be required to enter a written statement or other presentation in the public hearing.
- B. Commission Participation – The Commission members shall be provided adequate opportunity to examine witnesses and question any evidence, statements and arguments in the interest of a fair public hearing.
- C. Identification – All persons wishing to be heard on any matter in a public hearing must stand before the Commission and provide their names and addresses for the record.
- D. Commentary Addressed to Commission – All commentary at a public hearing shall be addressed to the Commission through its presiding officer. Such commentary shall not be permitted between opposing parties without the consent of the presiding officer.
- E. Authority of Presiding Officer – The presiding officer shall have the authority to prohibit repetitious, irrelevant, or immaterial testimony and shall have authority to limit the length of testimony by each speaker deemed appropriate to a fair public hearing.
- F. Orderly Conduct – Every person appearing before the Commission shall abide by the order and direction of the presiding officer. Discourteous, disorderly, or contemptuous conduct shall not be tolerated, and the presiding officer may take such action as is deemed necessary to prevent such conduct, specifically including but not limited to requiring the offensive person(s) to depart the meeting; summoning law enforcement personnel or adjourning the meeting.

**ARTICLE 5.  
DISPOSITION OF PETITIONS**

**Section 1. Motions**

The final disposition of any petition duly filed and brought before the Commission shall be in the form of a motion, properly adopted, specifically setting forth such disposition.

**Section 2. Dismissal**

- A. Want of Prosecution – The Commission may dismiss a petition if the petitioner or authorized representative does not appear to present and speak in favor of such petition or if such petition has been improperly filed as required by these rules.
- B. Lack of Jurisdiction – The Commission shall dismiss a petition if it finds it has no jurisdiction over its subject matter.

**Section 3. Withdrawal**

- A. Without Prejudice – Any petition may be withdrawn without prejudice provided a written request for withdrawal signed by the petitioner or an authorized representative is received by staff prior to public notice being provided for the request. The petition shall not appear on the Commission's agenda and may be resubmitted at any time.
- B. With Prejudice – Any request for withdrawal made after public notice has been provided, may be granted or denied by the Commission. Such request may be made in writing or orally at the Commission meeting and must state the reasons for the request. If the Commission votes to permit withdrawal, the petition shall not again be placed on the docket for public hearing within a period of three (3) months from the date of the originally scheduled public hearing, except upon a motion duly adopted by a majority of the members of the Commission to permit such re-docketing.
- C. Not Permitted – No petition may be withdrawn after a motion has been made and seconded and a vote has been ordered by the presiding officer.

**Section 4. Amendment**

- A. Increased Density or Intensity – No petition can be amended in a manner which increases the intensity of use (e.g., adds additional lots or land, changes to a zoning district permitting more uses or more intensive uses) after public notice has been provided. Any such amendment request will result in postponing the Commission's hearing of the petition for one month. The petition as amended shall be readvertised and new notice given to Interested Parties.
- B. Decreased Density or Intensity – After public notice has been provided, it shall be within the discretion of the Commission to approve a petitioner's request to amend the petition in a manner which decreases the intensity of use (e.g., removes lots or land, changes to a zoning district which is more restrictive). Any Interested Parties may be heard on the subject of such amendment. The Commission may require such amended petition to be continued and may require re-advertising and re-notification of Interested Parties in the interest of providing a fair and adequate public hearing.

**Section 5. Continuance**

- A. Requests – Any person may request a continuance in writing prior to the public hearing and/or orally at the beginning of the public hearing. The person requesting such continuance shall be required to show good and sufficient cause for such continuance, and it shall be within the discretion of the Commission to grant or deny such request.

- B. Motion by Commission – Any member of the Commission may at any time move to continue the public hearing of any petition. Such a motion duly seconded and adopted shall continue the public hearing to the time specified in the motion. The Commission may include in the motion specific instruction for re-advertising and/or re-notification of Interested Parties.
- C. Indecisive Vote – In the event that the Commission does not achieve the required votes to approve or deny a petition, such vote shall be declared indecisive, and the petition shall be continued automatically to the next meeting of the Commission. Before declaring a petition continued on this basis, the presiding officer shall call for another motion. No petition for rezoning shall be continued more than two successive times under the provisions of this paragraph. If upon the third successive consideration of a rezoning petition resulting from continuances under the provisions of this paragraph, the Commission does not arrive at a recommendation with the necessary majority of votes, as provided in Article 3, Section 3A of this document, it shall forward the petition to the legislative body with a report stating the Commission's inability to arrive at a recommendation within a reasonable time, and the legislative body may decide the petition without a recommendation to approve or deny from the Commission.
- D. Improper Notice – If proper notice under applicable laws and Article 7, of these rules, has not been given, the Commission shall continue the petition to allow time for proper notice to be given.

#### **Section 6. Approval/Denial**

- A. Subdivisions – The Commission has the authority to approve subdivisions of land under the terms of the Subdivision Control Ordinance (Chapter 16 of the Columbus City Code).
