Federal Regulations permit projects that are not considered to be of appropriate scale for individual listing to be combined or Grouped under a single listing. Such listings are grouped by function, work type, or geographical area and must be consistent with the exempt project classification contained in EPA's Transportation Conformity Regulations (40 CFR part 93). Individual projects from the grouped project categories will be incorporated into the TIP by Administrative Modification as they are defined (in terms of project description, scope and cost) and

There are no funds allocated for the Grouped Projects in the origional TIP. However, as the TIP is amended, new projects can be added to this Group Projects table through a CAMPO Administrative Modification (assuming the project meets all criteria). Then said changes will be processed accordingly base on STIP requirements and criteria for modifications and amendments.
