Important Questions	Answers	Why This Matters:
What is the overall deductible?	Tier 1 Inspire Network & Tier 2 SIHO Network Provider : \$1,500 Individual / \$3,000 Family Tier 3 Out-of-Network Provider : \$1,500 Individual / \$3,000 Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , the overall family deductible must be met before the plan begins to pay. Tiers 1 and 2 deductibles are combined In-Network deductibles and do not cross apply to Tier 3 deductible, and vice versa.
Are there services covered before you meet your deductible?	Yes.	This plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at www.siho.org .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Tier 1 Inspire Network & Tier 2 SIHO Network Provider : \$4,750 Individual / \$9,500 Family Tier 3 Out-of-Network Provider : Individual / \$9,500 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met. Tiers 1 and 2 out-of-pocket limits are combined In-Network out-of-pocket limits and do not cross apply to Tier 3 out-of-pocket limit, and vice versa.
What is not included in the out-of-pocket limit?	Premium , Balance Billed Charges, Precertification Penalties, and Services this Plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.siho.org or call 1-800-443-2980 for a list of network providers .	This plan uses a provider network. You will pay less if you use a provider in the plan 's network. You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider 's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services. Check with your provider before you get services.

Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
