Duke Energy	Near the intersection of National Rd and Middle Rd / Herman Darlage Dr..	The city of Columbus wants streetlights installed at the intersection of US 31 / N National Rd and Herman Darlage Dr / Middle Rd. They requested two streetlights at diagonal corners of the intersection. We will need to install a 10' arm with a metal pole adapter band on transmission pole 807-3632 located on the SW corner. We will install a 150W LED RW on the new arm. We will also install a new 35' class 5 pole with a 8' arm and a 150W LED RW at the NE side of the intersection. We will need to install a lift pole between the new pole location and pole 737-484. We will install two spans of OH secondary along the ROW to feed the new light at the NE corner.	2/9/2026	2/20/2026	8:00 AM	4:00 PM
